Mr. Slade

Roger Slade grew up in Holbrook, graduating in 1964.

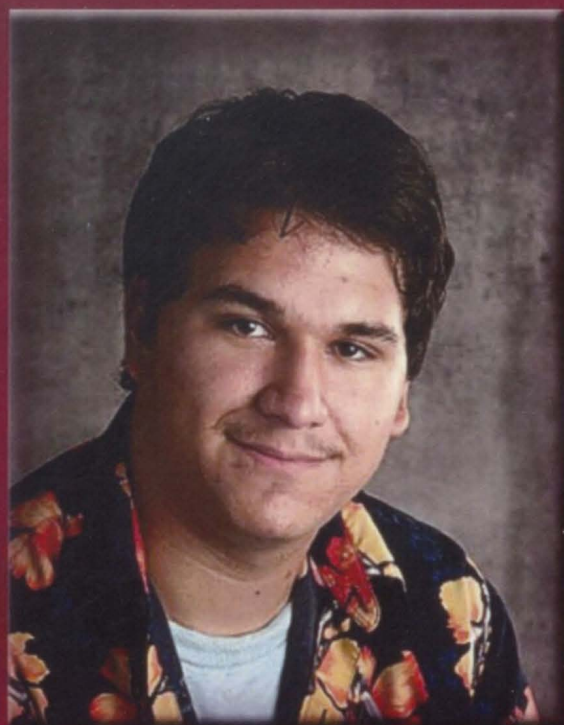

He began his college years at Arizona Western in Yuma, finishing up at Northern Arizona University with a degree in Industrial Arts. In 1972 Mr. Slade moved to Winslow to be closer to family, beginning his 36 year teaching career here. Mr. Slade loves teaching and the students he teaches. He has had several students go into drafting as a career. He has taught math both at the Junior High and High School. He also worked with Upward Bound for a few years. Mr. Slade will miss kids teaching and his association with the staff at Winslow schools. Who would think a guy from Holbrook would marry a girl from Snowflake and end up in Winslow?!

The background is a dark, swirling abstract composition of colors including yellow, orange, red, and blue. A faint, translucent skull is visible in the center of the image, partially obscured by the swirling patterns.

"Our Time To Shine"

SOPHOMORES 2010

"You won't lag behind, because you'll have the speed.
You'll pass the whole gang and you'll soon take the lead.
Wherever you fly, you'll be the best of the best.
Wherever you go, you will top all the rest."
